

Samuele Cazzin

ACCESSORIES DESIGNER

Curious and detailed-oriented.
I constantly observe what surround me trying to bring
new starting point and consideration.
I strongly believe in team working and in constructive
dialogue with people.
There is still a long way to go and
I am aware and glad of it.

WORK EXPERIENCE

Footwear Designer

RubensLuciano S.p.A. // August 2021-Current
Strà (VE)

At the moment I work in a design studio specialized in footwear design consultancy composed by 50 people. As a designer I have the possibility to work in collaboration with graphic, product and prototype offices. Our clients are mainly based in Italy and America, for instance we work with: Moncler, Calvin Klein, Scarpa.

Junior Designer (Diesel License)

Marcolin S.p.A. // January 2019-August 2021
Longarone (BL)

Creating new collections meeting Art Director and Licenses needs. In addition to the license assigned to me I had the opportunity to work with other brands, such as: Adidas, Moncler and GCDS.

Accessories Designer

Diesel S.p.A. // March 2018-September 2018
Breganze (VI)

This experience gave me to me the opportunity to design different categories of product and to work in a structured and international style office. I followed the process from the collection concepts to the campaign shooting' moodboards.

Product Designer

Tensa I.D. S.r.l // September 2017-March 2018
Milano

Fast and dynamic products turn-over, between different furniture categories and sporty accessories. The several clients were mainly from the european and chinese market.
